Subject: Reclamation Contract Required, Kimmerle Mining LLC, Green River #9, S/015/0102, Emery County, Utah

Dear Mr. Kimmerle:

The Division of Oil, Gas and Mining has received adequate reclamation surety for the Green River #9 mine, which includes transfer of the surety for the Green River #9 exploration project, but needs a signed reclamation project before approving the mine and closing the file for the exploration project.

A copy of the reclamation contract form is enclosed. Please fill out and sign the form, having it notarized, and return the original to the Division. The Division will then have it signed and issue final approval for the Green River #9 mine.

Please contact Penny Berry at 801-538-5291 if you have questions about the contract. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
